

Member rates policy

Who does this policy apply to? All those delivering AAEE NSW events, conferences and other fee based activities

When endorsed? July 2015

For all AAEE NSW events and products, a member rate is mandatory. This will ensure the Association members attend the event or buy the product at a reduced rate, to be set on a case by case basis. It is noted that member rates must apply to all categories; for example, for students, one day attendees etc at Conference.
