

INTRODUCING

TAKE ME OUTSIDE NEW SOUTH WALES

*Do you want to raise awareness about an environmental issue in your school and deliver learning opportunities that have a long-lasting impact for students, but don't know where to start? **Take Me Outside NSW is here to help!***

WHAT IS TAKE ME OUTSIDE NSW?

Take Me Outside NSW offers a free 'one-stop-shop' for teachers & educators to link with government staff, community groups & programs in NSW which support the Take Me Outside philosophy – getting kids active outdoors & enhancing the long-term health of our environment.

Delivered by the Australian Association for Environmental Education NSW, and based on the successful Canadian project, Take Me Outside NSW provides free resources, connections & guidance for teachers to deliver an effective, hands-on outdoor project of your choosing to benefit the environment & reconnect kids with nature as active citizens.

HOW DOES IT WORK?

Simply choose your outdoor project, or check out our list of suggested projects, register free through the Take Me Outside NSW website, & our friendly team will support you to plan, deliver, evaluate and promote your project! We'll also connect you up with local supporters who have put up their hand to help project participants deliver a successful project and get kids outside!

We're also inviting local organisations to become supporters to help make projects happen! To join the movement, pledge your support through our website & help kids make a difference.

WHAT KIND OF PROJECT COULD I REGISTER?

Your project could be carried out in unused natural space in your grounds, outside of school grounds in a local outdoor space, or even if you have limited outdoor space.

Project ideas include planting and bush regeneration, habitat creation or maintenance (frog ponds, nest boxes, gardens, insect hotels), creek and waterways care, litter reduction, composting or recycling projects. Anything that gets kids outside, and has a measureable benefit to our environment!

WHY REGISTER YOUR PROJECT?

- Free project planning support
- Links to ideas and resources
- Connections with local supporters to help you deliver your project
- Tips & inspiration to keep you on track
- Access to competitions and awards
- Email & phone support - we're with you all the way!

WHY PLEDGE YOUR SUPPORT?

- Promote your programs & services
- Support kids to get active in nature
- Connect with local schools and support organisations
- Be listed as a support on our website
- Extend your networks and influence
- Make a difference in a local project by providing expertise, space or resources
